I help get people out of their own way and into conversations brimming with possibility.

TALKS ABOUT

Most conversations fail because they are never started. Achieve better results in business and life with **The First Four Words**, a fresh approach to starting conversations with ease and confidence.

BIO

SPEAKER AUTHOR COACH ATTORNEY

- CEO and founder of Onward Leadership, with over 30 years of senior leadership, coaching, and consulting experience.
- Dynamic public speaker, having spoken at national conferences and leadership summits.
- Regularly consults with C-suite execs, federal agencies, and Fortune 500 companies.
- Has held senior positions in Human Resources, Sales, Law, and Consulting.

"Her presentation was head and shoulders above all the other presenters I saw during several sessions. Why? It was a combination of her genuinely engaging presence, easy-to-connect personality, and the practical substance that she brought. I would highly recommend her for any kind of keynote speech or workplace training – you won't be disappointed!"

-- Professional Speaker, Conflict Resolution Expert

"Wow! Your presentation was spot on in many ways, and each group was really impressed and inspired from what you presented and our discussions that followed—you delivered in all the ways wanted, and much more!"

-- SVP and Chief Legal Counsel

"A professional, polished, confident presenter that I would highly recommend."

-- Senior Producer and Events Designer

KEYNOTE ADDRESS

Unlock the power of conversation with as few as four words. This session will inspire and empower participants with surprisingly effective and simple ways to have conversations to promote understanding, impact, and better results.
